National Association of Secondary School Principals 2010-2011 National Advisory List of Approved Student Contests and Activities

► IMPORTANT ◀

The inclusion of a student program on the National Advisory List does not imply endorsement by NASSP. A program being listed indicates that it has been reviewed by a committee of NASSP member principals and found to meet the established standards of quality for student contests and activities established by the NASSP National Committee on Student Contests and Activities and approved by the NASSP Board of Directors.

**Programs included on the National Advisory List are open to students at the national level unless otherwise indicated. Contests or activities defined as 'national' involve participation by students from 20 or more states. A regional program is one where participation is limited to students from schools in a particular geographic area of three or more states, but fewer than 20. These programs are identified as [REGIONAL].
